## Lent

On Ash Wednesday, we will receive Ashes on our forehead to begin our journey through Lent towards Holy Week. Ashes remind us that we are created from the earth and it connects us with the rest of humanity and to all living things. Lent is a period of forty days of preparation with fasting, prayer and penance. 'Forty' is a number of completion in the Bible. God caused in Noah's time for it to rain for forty days and forty nights to cleanse the earth through flood (Gen 7:12). The Israelites were in the wilderness for forty years to reach the Promised Land. Moses spent forty days and forty nights on Mount Sinai to receive the Commandments (Ex 34:28) and Elijah journeyed forty days and forty nights to Mount Horeb to experience God (1Kgs 19:8). Jesus was in the wilderness for forty days to prepare himself for public ministry.

In the Year of St. Francis 2026, we aim to journey 40 days in Lent, through the life of St. Francis and prepare us for Holy Week. There will be evening Lenten talks on Tuesdays reflecting on the life of St. Francis of Assisi. Born in 1181 in the town of Assisi, Italy, Francis Bernadone led a carefree life of relative comfort and luxury until his conversion as a young man. One particular story in the life of Saint Francis captures our attention. As was common at that time, he was repulsed by lepers and shunned people suffering from such a disease. Yet, one day he kissed a leper, and in doing so realised the man was Jesus. From the moment of that encounter, what had disgusted him became a source of faith. Fear became love, and he began to view people differently, with attentiveness and compassion. Subsequently Francis felt a strong calling to serve the poor and reject all worldly possessions. Francis' example of selfless love inspired others to follow him and together they preached the love of God to all and sought 'to follow the teachings of Jesus and to walk in his footsteps'. In our time too, St Francis of Assisi is a model for culture of encounter to nurture peace and trust in society. Life in a community of any kind provides the challenge to make room for others and to bear with differences of background, personality and outlook. Indeed a culture of encounter and inclusion is a Franciscan vision which needs more visibility in our time. I wish you a Holy Lent.
